OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service.

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian’s occupation as an opportunity to serve society.

THIRD. The application of the ideal of service in each Rotarian’s personal, business, and community life.

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

PREVIOUS PROGRAM

June 20, 2018

Following an invocation by **Daniel Galbraith**, the Four-Way Test led by **Trey South**, and other preliminaries, **PDG Bob Callahan** had the pleasure of presenting Paul Harris Fellow Recognition to **Michelle Anderson**. Next, **DGN Jerry Blacklaw** inducted new member **Bob McGough**. **Leslie Mulcahy** then introduced her friend **Lynn Oldshue**, author of the "Our Southern Souls" [blog](#) and [Facebook page](#), with the tagline "sharing the Soul of the South one person at a time." Lynn started "Our Southern Souls" after writing a story about the bus riders of Mobile for her magazine, *The Southern Rambler*. She rode the bus for months, listening to the stories of people who depend on public transportation for everything from work and school to shopping and appointments. She was frustrated when she couldn't fit everyone's story into the final version, and she missed those interviews when the story was finished. Her husband, John, gave her the book *Humans of New York*, filled with interviews on the streets of New York, and said this was what she should do. "Our Southern Souls" became five-minute interviews with strangers. Lynn has to do at least one a day, but it is often more than that. She says she loves listening to people's stories, but walking up to strangers and interrupting their lives is hard to do. "Most people say yes," she says, "and are kind and open and when it is over, we feel like we were supposed to meet." The stories are funny and inspiring, sad and heartbreaking, or a quick moment in time. Readers say they find a part of themselves in the stories or share similar thoughts and feelings. These "strangers" and their stories have changed her life and helped her find her own story. They have taught her to pay more attention to life around her because "there are interesting people everywhere you go; you just need open your eyes to see them."

Sergio D'Oliveira	7/15

Amelia Pope	7/24

ANNIVERSARIES

Mike Ford (#60)	7/19
Ramez Skaff (#42)	7/24

Birthdays and anniversaries are for two weeks, as there will be no bulletin next week in the absence of the editor.

Fund Raiser **Jim Jeffries**, assisted by **Terry Cook**, collected \$83, \$42 of which was claimed by **Len Breitfeller**. In addition, Sergeant-at-Arms **Chad Yarbrough** collected H\$120 for the club, plus \$51 for the club foundation (from **Suzanne Barnhill** for her anniversary). This included H\$86 from **Clarence Bishop** for his birthday, plus H\$ from **Charles Johnson**, **Bob Callahan**, **Angela Jones**, **Daryl Wasp**, and **Sally Wall** for Clarence's birthday, \$1 from **Rick Phyfer** for **B. G. Hinds**'s birthday (**B.G.** offered an IOU), and voluntary pin fines from several members. **Lee Turner** got the most bang for the buck, saying that he was happy that he now had the money to repay **Angela Jones** for his meal at Point Clear, and glad to be back home in his own bed after spending several nights at the hospital with his son, who had a bout with *E. coli*. He also wanted to charge **Clarence Bishop** with being "full of bull" when he justified the purchase of a fancy pickup truck a number of years ago by saying that, given his age, it was probably the last one he'd buy. Lee pointed out that, given Clarence's rude health, he will almost surely be buying another one.

FAREWELL, FORMER MEMBERS

The club lost two outstanding members at the end of June. **Deanna Auner**, who had retired from Homestead Village, plans to go into real estate with husband **Austin**, and **Leslie Mulcahy** will pursue other interests.

FAMILY OF ROTARY

Randy Bielinski is back on IV antibiotics and has to wear a contact cast. He also continues to go to the hyperbaric chamber two hours a day. so he and **Lynn Chilton** are still pretty much restricted. He is slowly healing, so they hope to be back to Rotary before long.

We have received word that former member **John Chislett**, 82, died Sunday, June 24, in Mathews, VA. According to sources, he had been battling cancer for seven years, but his daughter says it was flu that ultimately carried him off.

Congratulations to...

...**Elizabeth Stone**, recipient of the 2018 *Rotarian of the Year Award*.

...**Ann Pearson**, recipient of the 2018 *Benjamin C. Barnhill Community Service Award*.

...**Deanna Auner**, recipient of the 2018 *L. E. Rockwell Memorial Meritorious Service Award*.

...our club, recipient of District 6880 awards for *Best Bulletin* and *Best Social Media*, both in the Medium-Sized Clubs division. This is club's fifteenth bulletin award since 1996 and our first social media award. **Suzanne Barnhill** has been our bulletin editor since 1995; **Taylor Strunk** handles our social media.

...**Suzanne Barnhill**, named a Microsoft MVP (Most Valuable Professional) in Word for the twentieth year. MVPs are "technology experts who passionately share their knowledge with the community."

WELCOME, NEW MEMBERS

Today we welcome our newest members, **Christopher J. Shrader** and **Randolph William Lee, Jr.** Chris is a loan consultant with Caliber Home Loans and was proposed by **Dave Darnell** for the classification of *Mortgage Origination*.
